Workshop Report

Topic: “Intellectual property rights: An overview and implications in pharmaceutical industry”

Resource Person: Dr. Swagata Baruah

Ph.D: CSIR NEIST, JORHAT

Date: 05-02-2020

Venue: H1 Hall,
Department of Chemistry,
Morigaon College

A brief report on discussion and Interactions:

In the series of various academic activities departmental one day workshop was presented by the department of Chemistry, Morigaon College on 5th Feb'2020 at 11am to 2 pm.

The presentation of topic entitled "Intellectual property rights: An overview and implications in pharmaceutical industry" by Dr. Swagata Baruah, Department of Chemistry, Nowgong College, Assam.

The faculties present from Morigaon College, Jagiroad College and Students from Science stream were actively present for the workshop. The workshop was conducted in the seminar hall and it commenced sharp at 11am. The faculty from the department of chemistry welcomed everyone and gave a brief introduction about the subject.

On the delivered lecture Dr. Baruah clearly explained Intellectual property rights (IPR) have been defined as ideas, inventions, and creative expressions based on which there is a public willingness to bestow the status of property. IPR provide certain exclusive rights to the inventors or creators of that property, in order to enable them to reap commercial benefits from their creative efforts or reputation. There are several types of intellectual property protection like patent, copyright, trademark, etc. Patent is recognition for an invention, which satisfies the criteria of global novelty, non-obviousness, and industrial application. IPR is prerequisite for better identification, planning, commercialization, rendering, and thereby protection of invention or creativity. Each industry should evolve its own IPR policies, management style, strategies, and so on depending on its area of specialty. Pharmaceutical industry currently has an evolving IPR strategy requiring a better focus and approach in the coming era.

Total 50 were present for the workshop and among them 40 are students. There attendance sheet is attached in a separate sheet attached with the file.
